

# Verification of Cisco Compatibility

The Cisco Developer Network verifies that **2N Helios IP 1.7**, a product offering from **2N Telecommunications** has tested compatible with the Cisco Systems, Inc. products specified below on **May 2010**

#### Product and Version

- 2N Helios IP 1.7

#### Cisco Systems, Inc. Product and Version

- Cisco Unified Communication Manager 6.1.2

2N Helios IP 1.7 has tested compatible with Unified Communication Manager 6.1.2. The Cisco Compatible logo signifies that 2N Telecommunications's product has undergone interoperability testing by 2N Telecommunications together with Cisco, based on testing criteria set by Cisco. 2N Telecommunications is solely responsible for the support and warranty of its product. Cisco makes no warranties, express or implied, with respect to 2N Telecommunications's product or its interoperation with the listed Cisco product(s) and disclaims any implied warranties of merchantability, fitness for a particular use, or against infringement. Cisco has the right to revoke this verification of compatibility at any time. For the latest status of certificate validity, please refer <http://developer.cisco.com/web/partner/search>.
